ACT Testing – Juniors ONLY

Accelere is administering the ACT test to all Juniors at our location, 2606 Hamilton Street, on the morning of Tuesday, March 24th. Juniors should arrive ready to begin testing at 7:50 a.m. Students must be present all morning, as the test takes just over 4.5 hours to complete. Students who complete the test early are not allowed to leave the testing room until all students are finished, or results may be invalidated. Upon completion of the test, students will be dismissed.

Breakfast and lunch will be served and available. Students will not have access to cell phones during this time. Cell phones must be checked in prior to testing – placed in a sealed envelope, returned to them at the end of testing. Accelere is providing pencils, calculators, and all needed materials.

Classes will not be held on March 24th, only the ACT test. We’re wishing Juniors the best testing results, and hoping each student comes ready to give it their best effort.

Note: If you have a family emergency and must reach your student during the exam, please call the Accelere office at 531-299-2830. Please call with additional questions as well.
